

High Performance and Grid Computing SIG

- Agenda
 - Opening Remarks
 - Introductions
 - Panel Discussion
 - Audience Q&A
 - Closing Remarks

August 17th, 2004

8:00–10:00 PM, Stanford University, Memorial Auditorium

High Performance and Grid Computing SIG

- SIG Opening Remarks
 - Vicky Markstein,
IEEE Bioinformatics Technical Chair

August 17th, 2004

8:00–10:00 PM, Stanford University, Memorial Auditorium

High Performance and Grid Computing SIG

- Panel Introductions
 - Bob Lashley,
HPC SIG Co-Chair

August 17th, 2004

8:00–10:00 PM, Stanford University, Memorial Auditorium

High Performance and Grid Computing SIG

- Panel Members
 - Walt Brooks, NAS, NASA
 - Simon See, Sun Microsystems Asia
 - Andrew Grimshaw, CGR, U of Virginia
 - Hans van Rietschote, ATG, Veritas
 - Grant Heffelfinger, Sandia National Labs
 - Eamonn O'Toole, HP

August 17th, 2004

8:00–10:00 PM, Stanford University, Memorial Auditorium

High Performance and Grid Computing SIG

- Panel Moderator
 - Rob Schreiber, HP Labs

August 17th, 2004

8:00–10:00 PM, Stanford University, Memorial Auditorium

High Performance and Grid Computing SIG

- Closing Remarks
 - VK Holtzendorf,
HPC SIG Co-Chair

August 17th, 2004

8:00–10:00 PM, Stanford University, Memorial Auditorium

High Performance and Grid Computing SIG

- Get Involved!
 - Sign up now to be involved with the HPC SIG for CSB2005
 - Send your suggestions for HPG SIG next steps to hpc@csbcon.org Subject: HPC SIG
- Don't miss tomorrow!
 - hear and interact with the Bioinformatics Standards Committee Panel, which meets at 7:30pm here in Memorial Auditorium

August 17th, 2004

Stanford University, Memorial Auditorium
