

Computer Software and Applications Conference

COMPSAC 2008

Turku, Finland, July 28th – Aug 1st, 2008
Co-located with SAINT2008

IEEE COMPUTER SOCIETY INDUSTRIAL SPONSORSHIP PROGRAM

IEEE COMPSAC has been designated as the IEEE Computer Society *Signature Conference on Software Technology and Applications* since 2006. You can always find the latest information of COMPSAC at <http://COMPSAC.org> from year to year.

COMPSAC is a major international forum for researchers, practitioners, managers, and policy makers interested in computer software and applications. It was first held in Chicago in 1977, and since then it has been one of the major forums for academia, industry, and government to discuss the state of art, new advances, and future trends in software technologies and practices. The technical program includes keynote addresses, research papers, industrial case studies, panel discussions and fast abstracts. It also includes a number of workshops on emerging important topics.
