The 33rd Annual International Conference on

Computer Software and Applications

COMPSAC 2009

Seattle, USA; July 20-24, 2009

IEEE COMPUTER SOCIETY INDUSTRIAL SUPPORT PROGRAM

IEEE COMPSAC has been designated as the IEEE Computer Society *Signature Conference on Computer, Software and Applications* beginning 2009. You can always find the latest information on COMPSAC at http://COMPSAC.org. COMPSAC is a major international forum for researchers, practitioners, managers, and policy makers interested in computer software and applications. It was first held in Chicago in 1977, and since then has been one of the major forums for academia, industry, and government to discuss the state of the art, new advances, and future trends in computer and software technologies and practices. The technical program includes keynote addresses, research papers, industrial case studies, panel discussions and fast abstracts. It also includes a number of workshops on emerging important topics.
