

# COMPSAC / SAINT 2009

PC/OC/SC Meeting  
March 20-21, 2009 Iowa State University  
Ames, IA USA

Sponsored by

Attendees of the PC meeting, who need a US visa to travel to Ames, should contact Laurel Tweed to get an invitation letter before February 15, 2009 so that you will have enough time to get your visa. **Any questions or concerns regarding travel and transportation should be directed to Laurel Tweed, by email at [laurelt@cs.iastate.edu](mailto:laurelt@cs.iastate.edu), or by phone at 515-294-6516.**

A detailed agenda will be developed after we receive the reviews. Please do stay for the Organizing Meeting to discuss meeting logistics.

## EVENTS (tentative)

Thursday March 19: 6:00-9:00pm Reception at the Christian Peterson Art Museum on the ISU campus

Friday March 20: 8:00-5:00pm PC Planning meeting  
6:00pm Dinner — location tbd

Saturday March 21: 8:00-5:00pm PC Planning meeting  
**Please reserve Saturday pm for SAINT OC/SC meeting.**  
6:00pm Dinner — location tbd

We will also be offering tours of the beautiful Iowa State campus, one of three universities in the United States that has been bestowed with the American Society of Landscape Architects Medallion Award. This tour will also take you to see the replica of Atanasoff-Berry Computer (ABC), housed in Durham Center on campus. This is the first electronic digital computer, invented by John Vincent Atanasoff, in the late 1930s. For history of this computer and its Iowa State University inventor, visit <http://www.cs.iastate.edu/jva/jva-archive.shtml>.
