Overview

**IEEE Virtual Reality** (VR) is the world’s premier international technical conference and exhibition on all aspects of virtual, augmented, and mixed reality. It has been held annually since 1993. In addition to the virtual reality conference, this year’s event is collocated with the **IEEE Symposium on 3D User Interfaces (3DUI)**, and an exciting program of Workshops and Tutorials. Innovative research, groundbreaking products, pioneering concepts and hands-on experiences in the disciplines of virtual reality, augmented reality, and 3D user interfaces are what IEEE VR, March 4-8, 2012 in Orange County, California is all about. In addition to being home to more than 20 universities, the Orange County area boasts several companies in VR-related areas from gaming to displays and interaction. At this year's conference, we will promote the cross-fertilization of gaming and VR through several efforts.

The IEEE 3DUI Symposium is one of the premier venues in 3D user interfaces, which gathers researchers from academics and industry together with user interface developers to discuss the frontiers of the field. Collocation of IEEE VR and IEEE 3DUI provides a premier opportunity for VR researchers to meet with the graphics and user interface folks and share their latest innovations with each other and with industry.

Conference attendees come from around the world, and include researchers and developers from industry, government, and academia. The exhibit area at the conference provides a unique opportunity to interacting with leading experts from those groups, as well as giving the attendees the opportunity to learn directly from you about your products and services and how they can help them to stay at the forefront of their fields.

We invite you to exhibit and to showcase your products at the most exciting combination of brightest minds, the most innovative research, the leading companies, and the most stimulating discussions in the fields of virtual environments, augmented reality, gaming, and 3D user interfaces.

The Conference and the Exhibit will be held at the Westin South Coast Plaza, in Costa Mesa, CA, at the center of Orange County. The weekend activities (Sunday March 4) will include the Workshops, and the Tutorials, as well as the Exhibits reception on Sunday Evening. The weekday activities will consist on the main VR conference program (Monday March 5 - Thursday March 8), including the vendor and research exhibitions. The VR conference will coincide with the 3DUI symposium (Sunday March 4 - Monday March 5).

Costa Mesa, California is ideally located at the heart of Orange County, and is within 15 minutes’ drive from the John Wayne Airport, with several shopping malls and sandy beaches around. But the greater parts are the theme parks (Disneyland, Universal Studios, Knott’s Berry farm) and wild life sanctuaries and zoos (San Diego Zoo and Wild Animal Park, Pacific Aquarium, Sea World) all within 30-80 minutes from the conference location. The greater LA area also houses many museums, world-class shopping, delicious dining, and challenging golf courses.
Why Support and Exhibit at IEEE VR?

- Your organization will have the opportunity to meet 600 or more influential conference participants – and potential customers – from government, industry, and academia around the world that specialize in immersive environments, user interfaces, and content creation and analysis.

- Increase visibility among conference attendees through print, media, and personal contact. The VR 2012 exhibits will be held in an exclusive exhibits area, and will be the location of the Sunday evening reception as well as the location for break food service.

- Your logos will be displayed on conference support placards, interstitial displays of the technical presentations, the conference web page, and will also be included in the conference proceedings and the final program (subject to print deadlines).

- Recruit from among the very best graduate students working in these areas.

- Facilitate the continuation of the most exciting and cutting-edge meeting on virtual reality.

‡ Includes attendance for the Haptics Symposium that began co-locating with IEEE VR on even numbered years in 2002.

* Attendance number reflects new registration options that alter the apparent attendance. Also, conference was in an odd numbered year, so held without the Haptics symposium.
### 1. Exhibitor Sponsorship Opportunities

**Diamond/Platinum/Gold/Silver EXHIBITOR**
Your company will have two (2) tables in exhibition area. The costs and all other benefits for a given category are listed in Conference Support Benefits Table (page 8). Note that the exhibit space is limited, and it will be filled on a first come, first served basis.

**Bronze/Non-profit/Publisher EXHIBITOR**
Your company will have one (1) table in exhibition area. The costs and all other benefits for a given category are as listed in Conference Support Benefits Table (page 8). Note that the exhibit space is limited, and it will be filled on a first come, first served basis.

### 2. Other Sponsorship Opportunities

**Diamond/Platinum/Gold/Silver SPONSOR**
Instead of two tables in exhibition area, your company receives one (1) extra conference registration. This is in addition to all other benefits listed for a given category in Conference Support Benefits Table (page 8). The costs are the same as listed in Conference Support Benefits Table.

**Bronze/Non-profit/Publisher SPONSOR**
No table allocated. The costs and all benefits for a given category are listed in Conference Support Benefits Table (page 8).

### 3. Coffee Break / Breakfast / Lunch Sponsorship Opportunities

**COFFEE BREAK SUPPORTER**
$1,200 each (14 available slots)
Your company logo will appear on all coffee-break stations and in the conference program to identify you as the Coffee Break Supporter. You may include logo give-a-ways during the breaks; give-a-ways will be at supporter’s own expense.

**BREAKFAST SUPPORTER**
$2,500 each (7 available slots)
Your company logo will appear on all breakfast stations and in the conference program to identify you as the Breakfast Supporter. You may include logo give-a-ways during the breaks; give-a-ways will be at supporter’s own expense.

**LUNCH BREAK SUPPORTER**
$3,500 each (7 available slots)
Your company logo will appear on all lunch-break stations and in the conference program to identify you as the Lunch Break Supporter. You may include logo give-a-ways during the breaks; give-a-ways will be at supporter’s own expense. In addition, you will have the opportunity to give a lunchtime presentation in the main presentation hall.
# Conference Support Benefits Table

We have designed the support levels to allow organizations of various sizes to be represented. Please note that the benefits listed here are the default for the given level of support. Please don't hesitate to contact us if you would like to tailor your benefits in a different manner! We will work with you.

9. The costs above are in U.S. dollars.
Exhibit Area Floor Plan

Most of the main conference activities (March 4-8, 2012) will take place in the hotel, while selected activities will take place off site.

On Sunday, March 4, the opening reception will be held in the Mesa Verde Room. In addition, all coffee breaks on Monday, March 5, through Thursday, March 8, will be held in the Mesa Verde Room, providing great exposure to participants.

15 10’x8’ Booths

Map 1: The Mesa Verde Exhibition Space.

Each exhibition space includes:

- 8’x10’ floor space with piping and drapes
- One (1) table and two (2) chairs
- One 7”x44” ID sign
- One (1) 500 Watt electrical outlet
- Wireless Internet access
# Preliminary Exhibits Program Schedule

Weekend program includes the workshops, and tutorials.

Monday - Thursday program consists of the main VR conference.

Sunday - Monday program consists of the 3DUI Symposium.

(**Schedule Details May Change**)
Contractual Considerations

**Purpose**
The purpose of all exhibits is to inform meeting participants of the types and nature of the products displayed related to applications in virtual reality and to provide information and explanation concerning related products and services.

**Space Assignments**
The following rules and regulations governing the exhibit under the auspices of the IEEE Virtual Reality Conference are part of the application for space and constitute a contract between the Supporter/Exhibitor and the Conference. They have been formulated in the best interest of the Exhibitors and full cooperation in their observance is asked of the Exhibitors. Any detail not specified is subject to decision by the Chair of the Conference. *Since exhibit space is limited, assignments will be based on the date the application and payment are received.*

**Terms of Payment**
Full payment **MUST** accompany the supporter/exhibitor application. No application will be processed without remittance of full payment. Deadline for initial exhibit space assignments is **18 January 2012 (10 January 2012 if Exhibitor wants to be included in printed proceedings as a sponsor)**. A completed application for space with full payment and all requested information must be submitted by mail or facsimile. Facsimile applications must include a credit card number, expiration date, and signature. **Telephone requests will not be honored.**

**Contract for Space**
The acceptance of the application by the IEEE Virtual Reality Conference and the full payment of conference support constitute a contract. The Supporter/Exhibitor agrees to accept the optional exhibit space assigned. The application (along with full payment) should be submitted to the Local Arrangements Chair by **18 January 2012 (10 January 2012 if Exhibitor wants to be included in conference proceedings as a sponsor)**.

The IEEE Virtual Reality Conference reserves the right to modify the designated exhibit space in the event when a change in the original assignment is necessary. Applications received after January 13 will be accepted subject to availability and may not be included in printed materials.

Each exhibition unit includes one (1) 6′x30″ table, two (chairs), one (1) 500 Watt power source, one (1) 7″x44″ ID Sign, and wireless Internet access. Exhibitors are responsible for any needs and requirements that exceed the minimum.

**Cancellations**
Exhibitors are requested to notify IEEE Local Arrangements Chair of cancellations by physical mail, fax, or e-mail. Cancellations are not effective until notice has been received in writing (p-mail, fax or e-mail) by IEEE Local Arrangements Chair. See the application for their contact information.

Space reductions are considered cancellations. It is understood that the IEEE Virtual Reality Conference reserves the right to, at its option, reassign a cancelled booth.

**Refunds**
The date on which the Supporter/Exhibitor’s written notice of cancellation of Optional Exhibit Space is received will be the official cancellation date. Promotion of the conference and its supporters is ongoing. Therefore, Conference Support is not refundable.
**Sharing Space**
Subletting of space is not permitted.

**Badges and Staffing**
Each exhibiting company is limited to the complimentary printed representative badges as indicated by level of support.

Exhibits must be staffed during show hours. Please note that you will be in violation of regulations if the exhibit is not staffed.

Identification badges may be picked up at the registration desk. Badge exchange between exhibitor representatives is not permissible.

**Operation of Exhibits**
The management reserves the right to restrict exhibits which because of sound, method of operation, materials, content or any reason are objectionable, and also to prohibit or evict any exhibit as a whole.

**Size of Exhibits**
Each exhibit unit is 8’x10’. Exhibits must be arranged so as not to obstruct the view or otherwise interfere with the displays of other Exhibitors. This restriction includes person(s), things, conduct, printed material or anything of a character that may be objectionable to the exhibition as a whole. In the event of such restriction or eviction, the IEEE Computer Society is not liable for any refunds, rentals or other exhibit expenses.

**Hotel Information**
Reservations at the Westin South Coast Plaza Hotel must be made by **5:00pm EST, Friday, 3 February 2012**.

**Violations**
As a condition of exhibiting, each Supporter Exhibitor shall agree to observe all policies. Violators will not be eligible to exhibit at future IEEE Virtual Reality Conferences.

**Insurance**
Insurance on all exhibits is the responsibility of the Supporter/Exhibitor. The IEEE Computer Society will not assume any responsibility for property loss or damage to personal property, as stated in the section on Limitation of Liability.

Supporters/Exhibitors are advised and encouraged to carry insurance to cover their property against damage and loss and public liability insurance for claims of injury to the person and property of others.

**Limitation of Liability**
Supporter/Exhibitor agrees that the IEEE shall not be liable for any damage or liability of any kind or for any damage or injury to persons or property during the term of this agreement, from any cause whatsoever by reason of use, occupation and enjoyment of exhibit space by Supporter/Exhibitor or any person thereon with the consent of Supporter/Exhibitor and that Supporter/Exhibitor will indemnify and hold harmless IEEE from all liability whatsoever, on account of such damage, or injury, whether or not caused by negligence of or breach of an obligation by Supporter/Exhibitor or its employees or representatives.

**Catastrophe**
In the event of fire, strikes, or other unavoidable occurrence rendering the exhibit space unfit for use, provisions will be made for the exhibit elsewhere.
