Call for WiMob 2009 Tutorials Proposals

The **5th Annual IEEE International Conference on Wireless and Mobile Computing, Networking and Communications (WiMob)** will host tutorials alongside the main conference. Tutorials will take place on Sunday 12th October 2009. Tutorial presenters are invited to submit high-quality tutorial proposals on novel and emerging topics related to the general focus of the main conference. Tutorials should generally be self-contained in nature. More information on the conference and the tutorials is available under
http://www..larim.polymtl.ca/wimob2009

Tutorial Proposal Form

Please, submit a tutorial proposal form including below items to the tutorial chairs:

- tutorial title and duration (half/full day)
- instructor's affiliation
- tutorial abstract
- scope & objective
- intended audience
- tutorial outline
- speaker's biographical sketch

Important Dates

The important dates for tutorial speakers are:

- tutorial proposal: 31 May 2009
- acceptance notice: 1 August 2009
- handout due: 20 September 2009
- presentation: 12 October 2009

Tutorial Chairs

Abderrahim Benslimane, University of Avignon, France
